

# Reverend Mary Jane Mihajlovic, RN, BSN, CHTP, HN-BC

303 E. North Street • Cambridge Wisconsin 53523 • (608) 423-4379

## BACKGROUND

R. Mary Jane has been a nurse for 33 years and certified as a holistic nurse for nearly the last decade. While completing certification as a holistic nurse and a Healing Touch practitioner, R. Mary Jane became proficient in her understanding and use of the heart-centered relationship to guide healing in others through body-mind-spirit. Becoming an ordained reverend seemed like a natural progression of her heart-centered perspective and holistic training. In her work in Healing Touch and other energy-based techniques, R. Mary Jane serves as a mentor for students in their practicum and conducts pinning ceremonies such as the sand ceremony for the newly certified practitioners.
